

John Porcelli, MD

President

Dr. John Porcelli, board-certified in critical care, pulmonary medicine and sleep medicine, serves as President of Duly Health and Care.

He works closely with the Duly leadership team to direct and improve all aspects of patient care, ensure continuous physician engagement and drive growth initiatives for the organization.

In his leadership role, Dr. Porcelli upholds humility, passion and commitment while he leads physicians in problem-solving and developing solutions for achieving higher quality, lower cost outpatient care. He also works to assure physicians have influence and opportunity in how they practice medicine.

In practice at Duly Health and Care since 2004 and appointed president in 2019, he previously served as treasurer and member of the Duly Board of Directors, chairman of Duly's critical care, pulmonary medicine and sleep medicine department, medical director of an intensive care unit at a local hospital and leader at several internal and external committees. As a full-time practicing physician, he brings extensive experience in treating lung cancer, COPD, acute lung injury, adult asthma, sleep disorders and sepsis.

Dr. Porcelli is passionate about healthcare because he finds the teamwork approach between physicians and patients gratifying.

He earned his undergraduate degree from the University of Notre Dame and his medical degree from Rush Medical College. He completed his residency in internal medicine at Rush University Medical Center and later completed fellowship training in critical care, pulmonary medicine and sleep medicine at Loyola University Medical Center, where he also served as chief fellow.

Dr. Porcelli enjoys spending time with his wife and six children and attending sporting events. Within the community, he actively participates in fundraising opportunities, volunteers with local charities and mentors college students who are interested in pursuing medical professions. The most rewarding accomplishment of Dr. Porcelli's career thus far has been having the opportunity to serve patients as a Duly Health and Care physician.

Leadership Recognitions

- DMG Physician of the Year in 2017
- DMG Specialist of the Year in 2010
